**Eco-Industrial Park Expert Featured at
Grow North Board Meeting in Three Lakes**

The future of Eco-Industrial Parks (EIP) in the Northwoods and nation wide will be the featured topic at the May board meeting of **Grow North**, Wednesday, May 14 at 7:30AM at the Northern Aire Resort & Spa in Three Lakes.

Guest speaker, Ernest Lowe will provide attendees with a twenty minute look into the concept of an EIP as model for local sustainable development. Mr. Lowe is Director of Indigo Development and is Eco-Industrial and Rural Development Director of the International Center for Sustainable Development, in Maryland. He is also an Associate of the Environmental Education Media Project, in Beijing. Lowe is an advisor to the Policy Research Center for the Environment and Economy. He has led seminars and workshops on economic industrial development in five Asian countries.

The public is welcome to attend this, and any of **Grow North's** board meetings. No reservations are necessary.

Grow North is a non-profit regional economic development corporation serving Forest, Langlade, Lincoln, Oneida, and Vilas counties. The board of directors is made up of business and community leaders from all five counties. **Grow North's** goal is to help keep existing business and manufacturing in the Northwoods healthy, while attracting new business and commerce.
